

MICHAEL SABZEVARI

SOFTWARE ENGINEER

PROFESSIONAL SUMMARY

Software engineer with a background in production and technology. Passionate about media and programming, I solve problems using languages such as JavaScript, React, and other front-end modalities. Constantly building my programming skills through work and personal projects, I thrive when developing new softwares and working on teams where I am pushed as a developer.

SOFTWARE AND SKILLS

Technical Skills: HTML, CSS, Flexbox, Bootstrap, SASS, JavaScript, React, SQL, Ruby, Rails.

Visual Design: Adobe (Photoshop, InDesign, Illustrator).
